THE NATURAL CHARACTER OF CAPELLA® HARDWOOD

Capella® Hardwood is abundant in natural character. In each carton, you can expect high color and character variation – each plank is unique in the type and amount of character featured. The grade of this product, classified as Rustic, means the following natural characteristics of wood should be expected: Filled Knots, Large Mineral Streaks and High Color Variation.

For an optimal installation, it is critical to mix planks from multiple cartons. Pre-planning the layout of the planks across the entire installation also ensures that the natural character is evenly distributed throughout the floor.
