Yorkshire™

Solid Hardwood

A Timeless Traditional

Looking for a solid hardwood floor that will stand the test of time in beauty and quality? The Yorkshire Collection features a classic species with an assortment of color and width options, guaranteeing you'll find the perfect fit for your décor.

America's Most Popular Species
Popular and widely available, Oak is an affordable species that is easily recognizable due to its pronounced grain. Comprised mostly of Appalachian lumber, Yorkshire Oak solid hardwood features less color variation and more consistent grains while maintaining a higher level of stability.

Premium Solid Hardwood
Genuine, authentic, beautiful – solid hardwood floors provide the durability needed to last a lifetime. Choose solid hardwood for your home and benefit from:

- A classic option that coordinates with many styles
- An investment that can increase the value of your home
- The flexibility to refinish without the expense of replacement
