WOODLAND TRADITIONALIST™ | ENGINEERED HARDWOOD

Character-Rich Authentic Hardwood with a Modern Twist

Traditional hardwood is reimagined. A gently wire-brushed surface and a fresh palette of colors creates a modern twist on beloved Oak hardwood planks. The combination results in a collection with a rawer feel and a finished product with a better grain visual and enhanced depth and dimension.

- Trending 6-1/2" wide width
- Sliced-faced Oak hardwood planks are available in a lighter, more modern color palette
- Light wire-brushing creates a textured surface filled with character
- Durable engineered hardwood planks feature a matte, low gloss finish with incredible scratch and stain resistance.
