These planks have a high level of color variation that may not be fully depicted here.

## CLASSIC & TRENDING DESIGNS THAT MAKE A STATEMENT.

Add style to your space with wide-width planks that make your home as unique as you.

- Wire-brushing accentuates the wood grain, while the finish helps hide scratches and dents
- The range of wide-width planks show the wood's unique tone and grain, so you're sure to find one that matches your style
- Engineered wood flooring allows you to install on any level in your home, including basements, kitchens, mudrooms, and more
